personal details

name: nikolai eltarenko
web: www.nierostudios.com

email: nikolai.e@nierostudios.com
MOB: (+64) 021 04 74 089
address: 2 clissold st merivale
christchurch new zealand

my interests

salomon sponsorship 2005-2006, ski racing nz 2004-2007
elite canterbury and south island athlete, tennis, motorbikes, flying,
guitar, ceroc

my ideal company

The ideal company i am looking for must have a no holds barred philosophy and foresight for the future. ideally this would be within the commercial sector, but i think that my management experience would be beneficial to all of my current part and full time jobs.

education

currently at HeliPro NZ CHCH
completing Helicopter course (CPU)

english - fluent
german - fluent
russian - fluent

key achievements

academic

merit awards 2005 - 2007 (3)
anz mathematics top award
australian mathematics comp.
australian science comp.
electronics award 07
web design award 06

work experience

elmwood tennis club 2006 / 2008 | tennis coaching

my position involved teaching younger aged children (5/12 yrs) tennis. my main role within this position is to introduce kids to tennis in a "have fun" fashion, as well as increase their skills. i was responsible for the arrangement and co ordination of the groups. since 2006 i have coached over 60 different children with great success.

mainland football 2007 / 2008 | referee

i have taken up football refereeing to increase my communicational and decision making skills. Having control over 22 people on the field can be challenging at times, especially when controversial calls are made. but by sticking by my decision, or admitting that i have indeed made a mistake, strengthens me to become more decisive. football refereeing is something that i am very proud to be a part of; as it requires a lot of self motivation and strength in both the mental and physical aspects.

canterbury language college design 2006 / present | designer

ginkgo restaurant ltd. design 2006 / present | designer

design has been my passion for a very long time. i specialize in photoshop, dreamweaver, flash and many other design applications. i started at ginkgo and clca back in 2006, and i am still producing quality work today. i have been working closely with avenues and metropol magazines designing advertisements for "ginkgo ltd". examples of my work can be found on my design portfolio website; www.nierostudios.com. all of my work is performed on a macbook and a macbook pro using latest adobe cs4 technologies.
